A Harvest of Righteousness

*And this is my [Paul's] prayer [for his brothers and sisters in Philippi]....that your love may overflow more and more with knowledge and full insight to help you to determine what is best, so that in the day of Christ you may be pure and righteous, **having produced the harvest of righteousness that comes through Jesus Christ for the glory and praise of God.*** (Philippians 1: 9-11)

Green Bean Blossoms

On one hand the summer is a time to get away and to relax a bit from our school year based schedules. It is so needed for us to have the chance to travel, to renew extended family relationships at reunions and visits, and to be part of new experiences (summer jobs, camps, etc.).

At South End UMC, so many people also take time to contribute to the summer ministries of this church when they are in town!!

The status of the church garden this week reminds me that there is much to come this summer, a potentially rich harvest. The green bean plants have blossoms and small green tomatoes are forming. Before long there will be many beans, tomatoes, melons, cucumbers, blackberries and okra to pick and share.

Speaking of sharing, I wish that you could have been with me on Tuesday night, the first evening of the **Summer Food Program.** A new family had just registered in. Carol and Jonathan Ferris were helping them gather the allotments of rice and dried beans, canned fruit and veggies while I went to the freezer to get a frozen chicken for them. I wish you could have seen the father's face – his expression of surprise and gratitude – when he realized that the large whole chicken was for his family.

I wish you could be there at **Haywood Lane Apartments** when we are starting to gather up our gear on a **Tuesday morning** and hear the question, "When are you coming again?"

I wish you could see the pride that school age children have when they have the chance to help prepare and/or serve the **Summer Wednesday evening** meal.

We all look forward to the **June 25th BBQ and Music** event that will raise funds for our fall Habitat Unity Build endeavor!

The young bean plants remind me that it is love of Christ that brings the harvest. May we be open this summer to all that is possible. Please pray that our planning and our doing brings glory and praise to God!
Yours In Christ, Ann Cover
